Please Provide Details As Needed:

I understand that I may not commence with any architectural activities prior to the Architectural Change Committee (ACC) approval. If I choose to do so without ACC approval, I may be required to remove, replace, or otherwise change the result of such activities at my own expense.

I also understand that if the ACC does not act within 30 calendar days from receipt of this request, that implicit approval has been granted. I also understand that after approval has been granted, that I may not alter the activity in any way and may not delay completion of such approved activity beyond a reasonable period of time.

Homeowner Acknowledgement: _____ Date: _____
